Make Egg Shakers with Leftover Plastic Easter Eggs

You will need:

- Plastic Easter Eggs
- Rice, split peas, popcorn kernels or dried beans
- Any kind of tape

Directions:

1. Fill the bottom half of each egg with 1-2 tablespoons of dried split peas, rice, popcorn kernels or dried beans. Put the top half of the egg on.
2. Use a strip of clear tape, masking tape, or duct tape to seal the egg shut, so you don't have split peas or rice everywhere!
3. Decorate your eggs with stickers, markers, washi tape, stick on jewels, etc.,
4. Turn on some music and shake away! Have fun!
